**Bracketing** 4, 8, 12, or 16 man brackets will be used. Some weight classes and age groups may be combined to complete brackets. When combinations are made wrestlers will be moved up or down only one grade level and one weight class unless parental permission is given. Wrestlers from the same team will be separated in the first round wherever possible

**Awards** Medals will be given to the top four in each weight.  
Champion receives their weight bracket.  
Team Trophies will be given to the top two teams in each classification. Points will be given on the highest placer for their team in each weight. Points are as follows 1<sup>st</sup> -14pts, 2<sup>nd</sup> -10pts, 3<sup>rd</sup> -7pts, 4<sup>th</sup> -5pts.

**Format** Once the brackets are finished they will be posted in the hall across from the restrooms on the south side of the gym. Each bracket will have a weight and a grade level. Wrestlers will be called to the staging area by the weight and grade level posted on their bracket. Once at the staging area the wrestlers will be taken to their mat by a mat captain. Each wrestler is allowed only two people in their corner. Once the match has been wrestled everyone will need to return to the stands. That wrestler will not wrestle again until their weight is called to the staging area again. We will wrestle straight through until all of the weights are ready for the finals. We will take a short break in order to set up, and then we will begin the finals. We will have a parade of champions, and then wrestle. We will have one mat for each grade level and have the wrestlers run through the tunnel with the lights and smoke. It may take a little time, but it should be great for the kids.

**Other Information** Breakfast will be available. Concessions will be sold all day. There will also be some cool t-shirts for sale. Everyone come and have a good time!
